Gauteng Women in Insurance (GWII) hosted a LeaderWalk on 19 September, with main sponsor Discovery South Africa and co-sponsors Camargue Underwriting Managers and Old Mutual Insure. In this leader walk-themed people leadership incorporating human diversity, Stanley Bongwe... [Read more](#)

Women save and plan more for retirement, reveals retirement study

The gender gaps in financial literacy and retirement readiness across the globe have been extensively publicised, with women supposedly lagging behind men in terms of their financial-know-how. Yet, in a research report, South African women claim to have saved more on average than their male counterparts by almost half a million rand... [Read more](#)

The new normal didn't end with the pandemic – it is here and people are burning out

During the pandemic we were always on, glued to devices and blurring the lines between work and home. Here we are today, in 2023, going about work but things are simply not like... [Read more](#)

Achieving your goals in 2023: a guide for women entrepreneurs

As a woman entrepreneur, you know your unique challenges and obstacles in building and growing your business. That's why it's so important to set clear goals and have a plan in place to achieve them. Not only do clear goals... [Read more](#)

What women with arthritis need to know about osteoporosis

When you think of the body parts that rheumatoid arthritis (RA) impacts, your mind probably goes to your joints. But there is another body part that might be harmed as well: your bones... [Read more](#)

Spring and mental health: are you ok?

Spring months bring increased pressure for us to engage socially, a set of expectations we're conditioned to want, do, and experience, and changing weather that can cause poor health, all of which can combine to prompt an annual period of struggle. This can manifest as a mild case of the blues, or as a more serious reverse form of
