## PwC ED Report: Women slow to rise to top positions in corporate SA

Research that came out of PwC South Africa's 2022 Executive Directors Report shows that very little progress has been made in balancing gender representation in senior positions at top JSE-listed companies... [Read more](#)

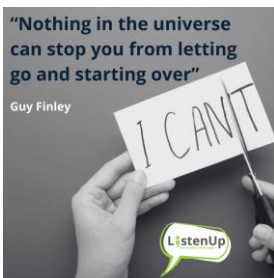

## How to empower women around you

Empowering women is essential to the health and social development of families, communities and countries. When women are living safe, fulfilled and productive lives, they can reach their full potential, contributing their skills to the workforce and can raise happier and healthier children... ## Do you struggle with building a network? Five networking tips for women

Ignoring networks can damage or limit your career and leadership effectiveness — and this is true for both men and women. The right relationships and ties are known to be an asset in getting access to information, earning promotions, and gaining opportunities. Having the right... [Read more](#)

## Lead by example – looking after your management team!

If you continuously call on your leadership to lead by example it is not only an effective leadership strategy but also a catalyst for building motivated and high-performing teams. In your commitment to your team leadership looking after and investing in their mental wellbeing with an all for one and one for all approach, makes for a winning employer and business... ## Legal talk: A basic guide to claiming UIF in South Africa

Many people literally cannot afford to be unemployed for an extended time, and with job scarcity on the rise, it is becoming more and more difficult to transition from one job to another. Being unemployed can be incredibly overwhelming and stressful. To help reduce the potentially devastating effects of not having an income, South Africa has an *Unemployment Insurance Fund* from which... [Read more](#)
