

Promoting the networking of women who work in the short term insurance industry in Gauteng, South Africa.

WOMEN 2 WOMEN

The Year of YES

The Year of Yes continues

GWII Presents: Intentionally Loving Yourself - May 2024 - sponsored by RMA

There's only **ONE** person who can make you truly happy: **YOU**. It's not your parent, friend, partner, or kid—it's you. You are responsible for your own joy.

“Self-compassion involves treating yourself with the same kindness, concern, and support you'd show to a good friend. When faced with difficult life struggles, or confronting personal mistakes, failures, and inadequacies, self-compassion responds with kindness rather than harsh self-judgment, recognising that imperfection is part of the shared human experience.” (*Neff & Dahm, 2015*).

During the month of May, we will share some of the mindfulness practices that can help improve self-love and help you to understand your Bio-Mastery...

What can you expect?

Rianet Whitehead, GWII Founding Member and Past Chairlady reflects on GWII's decade of success

As a co-owner of FAnews (a wholly women owned business) I was meeting dynamic women in our industry and wondered how we could get all these formidable ladies in one room. I could see beyond the mirror and knew that the industry would be a much 'richer' and a more 'knowledgeable' place if the right networking and the right partnerships were formed, in the right places, you know the - let's phone a friend concept... Leaderwalk: the future of leadership is collegiality

In collaboration with Business Engage and the 30% Club, Gauteng Women in Insurance (GWII) hosted a LeaderWalk on 12 April, with main sponsor GIB Group, and co-sponsors Garrun Group and Norton Rose Fulbright South Africa.

In this Leaderwalk - themed 'The Future of Leadership is Collegiality' - guest speaker Mike Teke, CEO of Seriti, spoke about... [Read more](#)

Financial services must step up, as women step in to their power

By the end of this decade, women will control much of the \$30 trillion Baby Boomer wealth transfer. This equates to close to the total annual GDP of the United States. Furthermore, Africa's... [Read more](#)

Unleashing the potential of women's buying power in insurance

As South African women embrace their expanding roles as business owners and breadwinners, it is important for insurance companies to adjust their business practices to adapt to their specific needs... [Read more](#)

The different ways to budget

Personal finance is all about finding the best way to make your money work for you. And one of the cornerstones of personal finance is budgeting. Regardless of how much you earn, we all... [Read more](#)

Breast cancer: what are the risk factors and how is it treated?

Breast cancer is the most common type of cancer in women, and while there is no one definitive cause for it, there are some risk factors that can increase your chances of developing it. Treatment for breast cancer can... [Read more](#)

April is stress awareness month

The world of work is not always conducive to mental health. Various factors, termed as psychosocial risks, pose significant challenges to mental wellbeing in work environments. These risks can range from job-related stressors such as excessive workloads and... [Read more](#)

Legal talk: Women's rights in business

Women have the same rights as everyone else in South Africa, for example, the rights to equal treatment in the workplace and to start their own businesses. Women in South Africa are highly encouraged to become entrepreneurs; however, a woman cannot start the right type of business... [Read more](#)
