**To the Gauteng Women In Insurance
and The Insurance Institute of Gauteng Women,**

On behalf of The Black Mermaid Foundation, I would like to extend our heartfelt thanks for your generous support following the Women's Day Event held on 7 August.

We are truly honoured to be the recipients of your collective contribution of R49,350.00, raised through entrance fees from the event. Your generosity not only affirms the importance of our mission but also brings us one step closer to expanding ocean access and education while shaping a more inclusive, ocean-conscious future.

This fundraiser is a reminder of things that happen when Women come together, and the power in purpose driven partnerships, an incredible Womens month story!

Your belief in our work uplifts young minds, builds ocean literacy, and creates space for the next generation of diverse ocean guardians.

From the bottom of my heart, the deepest thank you to every single woman that has propelled us forward from this event, we see you, and move forward with the strength of us all.

Sincerely,
Zandile Ndhlovu
