GWII Leaderwalk: The Courage to Lead Ethically When It Matters Most

On 7 October 2026, Gauteng Women in Insurance (GWII) hosted its third Leaderwalk session of the year at Deneys in Sandton, bringing together women from across the financial services industry for a conversation on ethical leadership, integrity, accountability and the courage to do what is right when it matters most.

Under the theme “She Leads: The Courage to Lead Ethically When It Matters Most”, the session featured Dr Liezl Groenewald, Chief Executive Officer of The Ethics Institute (TEI), who explored the role of ethics in leadership and the responsibility leaders have to influence the cultures and organisations around them... Shape your own financial success story

When I was 18, I had little idea what an actuary really did. A chance encounter with a mentor on my school’s parent-student council set me on a path into actuarial science, where I discovered a career that combined analytical rigour, strategic thinking and the opportunity to impact real people’s lives. Today, as CEO of Wealth Management at Momentum Wealth, I lead the very business where I began... Read more

Put yourself on your financial priority list

Research suggests that while women form the financial backbone of many households, they also experience more financial stress and fewer opportunities to build long-term wealth than men. Women generate income, manage household budgets, pay for essentials such as food, transport, and school fees, support extended family members, and make the daily financial decisions that keep their households functioning... **Read more**

The best ways to improve your cardiovascular health

Your cardiovascular health is one of the most important aspects of your overall health. Maintaining a healthy heart and circulatory system is essential for overall health and well-being and can help you live a longer and healthier life. In this article, we will discuss the best ways to improve your cardiovascular health so that you can live a long and healthy... **Read more**

Legal talk: The retrenchment process and your legal rights

No one can predict the future – that's a fact. And it's because of this that many aspects of our lives are at the mercy of various factors that are out of our control. Our jobs and, therefore, our livelihoods can also take a significant knock when businesses have to deal with restructuring or even closure as a result of an economic crisis. This is the point where employers... **Read more**
